Re: Durlon 8500 FDA Compliance

To whom it may concern:

Triangle Fluid Controls certifies that Durlon 8500 may be used in repeated use food contact articles in full compliance with the US Federal Food, Drug and Cosmetic Act (FDA).

According to the composition of Durlon 8500, all ingredients are permitted in 21 CFR 177.2600 "Rubber articles intended for repeated use".
