

CERTIFICATE OF CONFORMANCE

October 7, 2016

Reference: Durlon® 79XX, 8300, 8400, 8500, 8600 & 8700

We certify that the Durlon® products cited above comply with the following list of chemicals:

- A. Substances of Very High Concern (SVHC) per European Union Regulation (EC) No 1907/2006 Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)
- B. Conflict Materials within Section 1502 of the Dodd-Frank Act;
- C. Restricted Substances per RoHS; and
- D. Substances Under Review by the European Chemical Agency.

We further certify that we do not use any of the restricted chemicals cited in any of these regulations and/or acts in any of the above listed products.

Regards,

Chett Norton, C.E.T.
Engineering & QA Manager
